

Apprenticeship Opportunity Machine Operator

MTI **POLYEXE** *An Inteplast Group Company*

MTI Polyexe Machine Operator Program Overview

Occupation: Machine Operator

Term of Apprenticeship: 2,000 hours (1 year) on-the-job training and 144 hours of paid on-site related instruction.

Related Instruction Provider: Great Bay Community College-Portsmouth, NH – offered at the Brentwood MTI facility. College tuition paid by MTI and ApprenticeshipNH!

Credentials Earned: Upon successful completion of the registered apprenticeship program, apprentices will earn the Machine Operator Certificate and a Nationally Recognized Industry Credential.

Apprenticeship Agreement

- Document signed by you and your employer
- Outlines the terms of apprenticeship
- Includes agreed upon wage increases 16.50-18.00/hr
- With a possibility for higher wages with experience
- Includes contact information for resolving issues and/or complaints

Supportive Services through ApprenticeshipNH

There are financial resources available to you through the ApprenticeshipNH Grant. These funds can help with any financial or other barriers you may face during your apprenticeship program.

Support Examples:

- Required uniforms, tools, or supplies
- Funds to help with childcare
- Funds to help with transportation

Contact:

If you have any questions regarding supportive services, please do not hesitate to reach out:

Liz Arcieri (larcieri@ccsnh.edu) or
Vanessa Rashid (vrashid@ccsnh.edu)

Registering for Courses

- All courses are through **Great Bay Community College**.
- **Lynn Szymanski** – lszymanski@ccsnh.edu can assist with the college process.
- **Liz Arcieri** – larcieri@ccsnh.edu will help process scholarship funds through the ApprenticeshipNH-High School Program.
- **Vanessa Rashid** – vrashid@ccsnh.edu will help process scholarship funds through the ApprenticeshipNH Initiative.
- Courses are offered in the evening at the job site and can be offered online as well.
- Arrangements for work schedules while courses will need to be arranged with MTI. Your supervisor will advise you on the work shift and course schedule.

Mentorship

Every apprentice will have a mentor assigned to them. This is a valuable relationship that can help determine your success in the program.

Tips for Working with Your Mentor

- Demonstrate a desire to succeed
- Show a positive attitude
- Be willing to learn
- Actively listen
- Seek out and accept feedback
- Follow through on commitments
- Ask questions!!
